Subject: U.S. Copyright Office Application - 1-12356896181 Submission Eternal
My Lady, My Master

Dear David Adams:

Please respond to the questions below within 45 days and include the [THREAD ID], using the brackets, as part of your response. The [THREAD ID] is located below the Examiner's signature block. The [THREAD ID] must be in the body of your response, NOT the subject line. If you put the [THREAD ID] in the subject line, we will not get your message.

We are writing to clarify some information on your copyright application for "Submission Eternal My Lady, My Master."

The application names Kabushiki Kaisha Kill Time Communication as the author of "artwork" and PCR Distributing as the author of "compilation and English translation." However, for copyright purposes, a translation is a new work that is based on the original work that has been translated. The person who created the translation is the author of the translation while the person that created the original work is the author of the original work.

Based on the deposit and application, it appears this work is a translation. If this is accurate, please confirm and we will amend the application by removing Kabushiki Kaisha Kill Time Communication from the application. PCR Distributing will be the sole author and claimant with a claim in "English translation."

If the situation is otherwise, please explain.

Please note that if we do not receive a response to this message within 45 days, we will close this case without processing your registration or notifying you further, and forward your deposit copy(ies) under the provisions of the current copyright law. The fee is not refundable. If you re-apply for registration after the case is closed, you must send a new application, copy and fee. The effective date of registration will be based on the new submission.

IMPORTANT NOTE: The THREAD ID appearing at the end of this message **MUST** be included within the body of your response in order for your message to be properly routed. When replying to this message, make sure to copy the whole THREAD ID, including brackets, and paste it into the body of your response, preferably after the greeting. **DO NOT** include the THREAD ID in the subject line of your reply. If you put the THREAD ID in the subject line, we will not get your message.

Failure to comply exactly with our instructions will result in your email not being connected to your application, and your case will be closed without further correspondence from us.

Sincerely,

Examiner Payne

Very good, thanks for the clarification. We'll take that revision and have PCR Distributing as sole author and claimant.
